FOR IMMEDIATE RELEASE

DATE: July 6, 2026

RE: Road Work/Next Few Weeks

Dear Residents,

Beginning today, 7-6-26, our road contractor will be coming through town to lay down penetrating oil on the prepared blocks (W Grayson, S Oak, W Locust, S Locust, S Parmele, E Austin, E Grayson, S Park, W Travis).

Weather permitting, the final laydown of road material will take place next Monday, 7-13-26. This will only happen if the roads are dry, as optimal conditions are necessary. If there is rain in the forecast, this could be delayed until conditions are ideal.

ACTION REQUIRED: If you live on these blocks, we are asking that you refrain from parking on the side of the road until road work is complete.

IMPACT AREA:

- W. Grayson
- S. Oak
- W. Locust
- S. Locust
- S. Parmele
- E. Austin
- E. Grayson
- S. Park
- W. Travis

Thank you,

Public Works Department
