RE: Water System Outage (West Side)

Dear Residents,

Public Works is actively performing emergency repairs to an eight-inch (8") water main on North Oak Street. Water is currently off to the entire West side of town, west of Oak Street. We apologize for the service interruption – we do not have a repair time estimate at this time.

ACTION REQUIRED: Please follow the City of Leonard Facebook page or Website for more details.

IMPACT AREA: Side of town West of Oak/Connett

(West of Connett/Oak)

- N. Oak
- Griffitt St.
- Golden St.
- McClendon
- Westlake
- Johnsonville
- W. Fannin

Thank you,

Public Works Department
