

Leonard Police Department

111 W Collin

PO Box 1270

Leonard, Texas 75452

Telephone (903) 587-2234 Fax (903) 587-3016

Non Emergency calls

Citizens of Leonard Tx.

The Leonard Police Department does not employ an office assistant to monitor or answer phone calls. We depend on the Fannin County Sheriffs Office dispatch to send officers to you or a location that needs first responder assistance. Leonard Police officers **do not** monitor messages left on the Police Department voice mail. The Chief of Police regularly checks the messages to pass on to the requested officers. If you call for assistance and leave a message on voicemail there is chance no one will respond immediately. Please follow the voicemail greeting prompts to get the proper response from the Police Department.

- (1) If your call is an emergency, Please Hang up and **Dial 911**.
The Fannin County Sheriffs Dispatch will answer, They will dispatch the information to Leonard PD. LPD will then respond appropriately.
- (2) If your call is for police assistance of any kind but not an emergency. Please hang up and call the Fannin County Sheriffs Office non emergency number **903-583-2143**.
Again, Dispatch will answer and send the appropriate response.
- (3) If you need to leave a message or have a particular Leonard Officer call you at a later date or time. Please call the Leonard Police Department at **903-587-2234**, leave a message for the officer, The requested officer or another member of LPD will return your call as soon as possible.

Respectfully;

BRIAN MESEROLE

CHIEF OF POLICE

903-587-2234
