

APPLICATION FOR FENCE PERMIT

\$50 Permit Fee: New Fence. New Location. Change of Material.

Ch 14A Zoning Ordinance

27.8.1 Metal fence, except wrought iron, shall not be allowed in the required front yard in any district.
 27.8.2 No fence or hedge shall exceed 4 feet height in the required front yard in any district.
 27.8.3 No fence shall exceed 8 feet in height.
 27.8.4 Fences shall be constructed of customary urban fencing materials (i.e. brick, wood, stone or as approved by City Council upon the Planning and Zoning Commission’s recommendation) and shall be aesthetically consistent with buildings and fences in the area.

Appendix 1 b: On any corner lot for which front and side yards are required, no fence may be higher than three (3) feet above the street grade so as to cause danger or hazard to traffic by obstructing the view of the intersection from a point thirty (30) feet back from the right-of-way corner. Visual clearance shall be provided in all zoning districts so that no fence obstructs the vision of a motor vehicle driver approaching any street, alley, or driveway intersection.
